Foulds Online Safety Pledge:

Name:

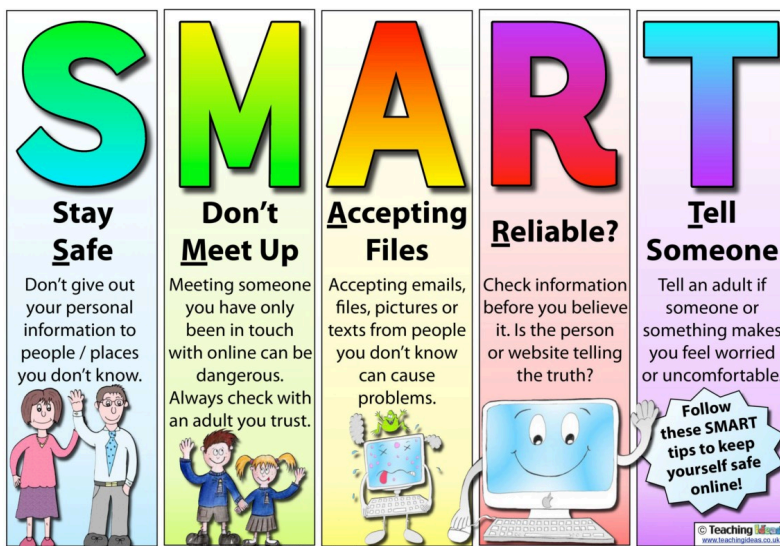

I understand and promise to follow these rules to keep myself and others safe when using technology.

- ☐ **I will use my school Google Account for all of my online work at home and at school. I understand that school can see what I am doing to keep me safe, even when I am at home.**
- ☐ **I know I will never be in trouble for reporting if I see something or someone sends me something bad. I do not share it with others.**
- ☐ **I understand that there are age requirements for apps (including social media), games and some websites and that I must follow those for my own safety.**
- ☐ **I protect my online reputation at all times and I am always honest about whether something is my own work.**
- ☐ **I always ask myself - am I being safe? Am I on task? Am I being kind? Am I being respectful?**
- ☐ **I am part of a community. I never make fun of anyone or exclude them because they are different to me.**
- ☐ **I know and follow the do's and don'ts of Foulds School (see below)**
